

KINDERGARTEN GRADUATION

2024

PRE-SESSION GUIDE

WHAT TO EXPECT

ARRIVAL

Upon arrival you will be greeted by one of our friendly team members. They will assist you in getting your child photo ready by setting you up with the tux or drape, any last minute touch ups, and keeping things stress free and FUN!

PHOTOSHOOT

This is what you're here for right?!

We plan to keep things fun and upbeat. We try to capture the best smile possible by talking about things that bring them joy or making them laugh. That moment right after they giggle is what we are aiming for. If it takes all 15 minutes to get that one perfect picture, great. If we are able to get it quickly, leaving room for some extra shots you'll love – even better!

Our main priority is that one perfect portrait you can use to compare with their senior portrait in the future.

SELECTION

Great News! **You don't have to wait to see your photos!**

Following the shoot, you'll sit down with another member of our team to review and select your favorites. Your chosen image will come as an 11x14 fine art print along with its professionally edited digital file. And if there are additional shots you love, they're available as add-ons. This is also your chance to snag extra prints. All add-on prices will be sent to you a few days before the session, ensuring transparency every step of the way.

Patiently await the arrival of your fully edited digital and print within 3-4 weeks!

WE LOOK FORWARD TO
MEETING YOU!
